About Us

BMN Investments Limited is a fully Black-owned corporation focused on investment opportunities in the financial services and non-financial sectors in Africa. We prioritize companies that deliver above-average returns on equity. As the largest shareholder of Vindilac Holdings Proprietary Limited, BMN Investments has full control over the company and its subsidiaries. We are committed to unlocking value for all stakeholders associated with Vindilac Holdings.

"We are committed to delivering exceptional value to all our stakeholders, ensuring that everyone benefits from our endeavors and thus promoting a sense of shared success and mutual growth."

Our Milestone

Since its inception, BMN Investments Limited has been committed to transforming the lives of ordinary South Africans by becoming the most prominent black-owned and controlled financial services entity. The initial phase of achieving this vision has involved the accumulation of capital in collaboration with the subsidiaries of Vindilac Holdings. The second phase has involved the partial investment of this capital in BMN Investments Limited, which continually establishes itself as the premier South African black economic empowerment company.

Our Approach

BMN Investments Limited functions as a distinguished investment holding company, strategically engaging in a wide array of sectors. Through our subsidiaries, we invest in key areas including asset management, healthcare, life insurance, real estate, banking, agriculture, construction, telecommunications, energy, and financial services.

Business Concept

The business concept of BMN Investments Limited comprises of two unique areas of concentration: on the one hand, it is about continually creating value for our stakeholders, and on the other hand, it is about positively contributing to the lives of ordinary South Africans.

By leveraging our position as a Black economic empowerment player and our strong financial position, we acquire a minority interest in the businesses that we invest in. This allows us to create value for stakeholders, the most important of whom are shareholders.

By acquiring these minority stakes, we can effectively align our interests with those of our stakeholders, fostering collaborative relationships that drive mutual success. Our shareholders remain our primary focus, and we prioritize their needs and expectations in every decision we make to ensure that our initiatives yield maximum returns.

BMN Investments Limited is dedicated to upholding the highest ethical standards and good governance. The BMN Investments Limited Board of Directors approaches business with a stakeholder-inclusive mindset.

Board Structure

The Board of BMN Investments Limited consists of 6 Independent Non-executive Directors and 5 Executive Directors. The Board convenes four times a year.

Accountability

The Board exercises stewardship and sets the ethical tone for the entire organisation and its subsidiaries by upholding the highest degree of ethics.

Our Values

Our company is deeply guided by a set of core values that shape our approach to business and client relationships. We prioritize integrity, transparency, and a commitment to excellence in all our endeavours. Our team is dedicated to making informed investment decisions that not only generate strong returns but also align with the ethical considerations important to our clients.
